Hosted by the Arizona Chapter #29 • Pontiac-Oakland Club, International

ALL PONTIAC & GMC TRUCK DAY is a FREE, fun, and NON-JUDGED vehicle display and gathering of enthusiasts, together with a membership drive. *NO classes, NO judging and NO attitudes!*

The event is open to all enthusiasts of Pontiacs, Oaklands, and GMC Trucks only. The Arizona Chapter of the Pontiac-Oakland Club, International (POCI), is actively seeking new members, so we urge you to please consider joining! All non-member (or prospective member) vehicles will be parked alongside member-owned vehicles for this four-hour event located in central Tucson.

There are NO trophies presented at this event, but there will be THREE VEHICLES which will receive some special recognition:

- The **Golden Jackstand** recognizes one vehicle (any year) in attendance with "promise and potential." Push, pull or drag it there... We really wanna see it!
- The **Bill Armstrong Memorial** recognizes one modified or customized vehicle (any year) which is built to suit its owner's personal taste and unique vision.
- The **Ross Whitehead Memorial** recognizes one significant pre-1964 vehicle which epitomizes enthusiasm for the Pontiac-Oakland-GMC Truck hobby.

Event T-shirts WILL NOT be available to purchase onsite, so...

What's an "Oakland" ...and why GMC Trucks?

In the early days of General Motors, the *Oakland Motor Car Company* was based in Pontiac, Michigan (located in Oakland County). In 1926, GM asked Oakland to introduce a lower-priced "companion" car — the *Pontiac* — which quickly became so successful that the Oakland nameplate was discontinued following 1931.

GMC Truck & Coach Division was also based in Pontiac, MI. In various years (especially in the late 1950s) GMC pickups were built with engines sourced from the Pontiac Division. Thus, POCI recognizes the importance and legacy of all three of these nameplates... *past and present!*

Nowadays, Oaklands are so rare that they are unlikely to be seen locally. Meanwhile, Pontiac and GMC Truck enthusiasm remains *strong!*

- Look for Phoenix and Tucson caravan details on back page.
- Event to be held Rain-or-Shine!

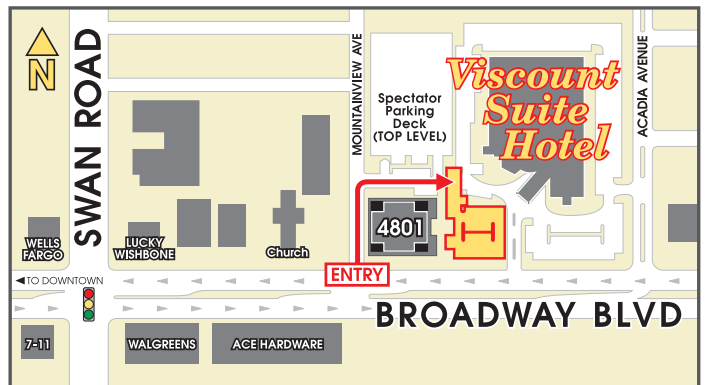

At this event, new and active club members alike will be provided a complimentary pizza party picnic lunch! This offer is extended to all current members, plus to those who join our chapter during the event. Come check us out, join, and enjoy a free lunch courtesy of the Arizona Chapter of POCI!

Where to enter the event

From Broadway, please turn **NORTH** on Mountainview Avenue (the first street east of Swan) and loop around behind the tall, five-story "4801" building. Volunteers will be stationed there to direct all display vehicles and spectator traffic. **PLEASE DO NOT ENTER THROUGH THE VISCOUNT HOTEL'S MAIN ENTRANCE** along Broadway Boulevard, as this will only create unnecessary traffic congestion in the parking areas reserved for hotel guests.

Overnight Accommodations

The Viscount Suite Hotel has special rates for our participants. Deluxe Suites are \$99, and Premier Suites are \$109+tax/night. These rates will be honored thru October 28. Call (520) 745-6500 or 1-800-527-9666 and request the "All Pontiac Day" rates.
